

Seth Avett - Between The Bars

Tom: Eb
Intro: Cm

Drink up baby
stay up all night
the things you could do you won't but you might
the potential you'll be
but you'll never see
the promises you'll only make
drink up with me now
and forget all about
the pressure of days do what I say
and I'll make you ok
and drive them away
the image is stuck in your head
people you've been before
that you don't want around anymore
that push and shove and won't bend to your will

I'll keep them still
drink up baby
look at the stars
I'll kiss you again between the bars
where I'm seeing you there
with your hands in the air
waiting to finally be caught
drink up one more time
and I'll make you mine
keep you apart deep in my heart
separate from the rest
where I like you the best
and keep the things you forgot
people you've been before
that you don't want around anymore
that push and shove and won't bend to your will
I'll keep them still
