

Seu Antonio - Lost Stones

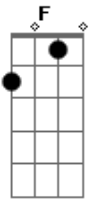

tom:
 A
 Din din don, ring the bell
 A
 Maybe this sound came from hell
 F
 Maybe are chicks, maybe are thieves
 G
 Maybe you were delivered to me
 A
 I'll take my phone, and I'll call for someone
 F G A
 And I hope this person be the one
 A
 And I hope so much touch your lips tonight
 F G
 Cause my doll you fill my heart
 Bm
 Baby, baby, baby, baby, baby
 D
 Reveal your soul to me
 A G

I'll save it in a bottle, carefully
 D
 And when I wish feel your spirit, I'll drink your smell
 G A
 And if you ask me freedom I'll set you free
 A
 Lying in my room, waiting for the end of the day
 Two strokes in my window, two stones in the way
 F G
 The floor is full of pieces of glasses, oh my lord
 F G
 Why the laundry was the chosen shelter?
 Bm
 Baby, baby, baby, baby, baby
 D
 Reveal your soul to me
 A G
 I'll save it in a bottle, carefully
 D A
 And when I wish feel your spirit, I'll drink your smell
 G A
 And if you ask me freedom I'll set you free
