No bar do Pelé
 Como garçom eu me sustento
 O meu trabalho é na Gamboa
 Enfrento um batente pesado
 Mas eu levo numa boa

A clientela é gente fina
 O bar é cheio de meninas
 Tô precisando de um aumento
 Mas por enquanto
 Eu vou "guentando"
 os dez por cento

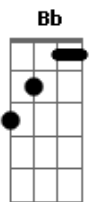

Linguicinha pra degustar
 E cerveja eu boto pra gelar
 Saco o guardanapo, paliteiro, sal, talheres
 E cinzeiro que não pode faltar!
 Depois do meu trabalho

Eu deixo tudo com o Carvalho
 E vou tocar o puteiro nesse Rio de Janeiro
 Que é meu cenário!
 E vou tocar o puteiro nesse Rio de Janeiro
 Que é meu cenário!

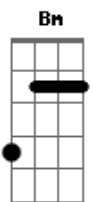

E vou pegar Isabella
 Nega mais linda da favela
 Para dar uma volta
 e pra passear
 Vou pegar Isabella
 Levar pra ver estrelas
 E só de brincadeira
 No luar a namorar

E só de brincadeira
 No luar a namorar
 E só de brincadeira
 No luar a namorar
