Sevendust - Goin Back To Cali

Tom: Gb

TUNING: Drop A#; E down 3 steps and all others down 2 steps
(A#, F, A#, D#, G, C)

    Note: This is JUST the rhythm guitar. This is just a tab
I did while messing around while
          playing the song. I will be adding the lead guitar
as soon as I get enough time to sit
          down and figure out ALL of it. I've got bits and
pieces though from my messing around
   while I tabbed this.
