Don't want you to go
 Is there no other way?
 I'll cherish this last kiss goodbye
 I will care for all you leave behind
 We won't let you go alone
 But we have made a tragic decision
 Because your wounds won't heal
 It's the final solution

When every day hurts
 And tears keep on falling
 We're letting you go
 The shadows are calling
 One last goodbye

We're all here beside you
 Your soul will fade
 Like a rose in the dark
 But your memory remains

(D Em C D)

Night after night, living a dream
 Finally feeling my blood again
 The notes in that song
 Kept my heart beating strong
 All the way
 I can see clearly now
 I'm tired of constantly sleeping
 I will open my eyes again

So ready to live now

When every day hurts
 And tears keep on falling
 We're letting you go
 The shadows are calling
 One last goodbye
 We're all here beside you
 Your soul will fade
 Like a rose in the dark
 But your memory remains

I'm flying high, aim for paradise
 I'm hungry for life again
 Ohh What a rush
 Hold my family!
 I'm never letting go!
