Sex Pistols - My Way

Tom: E
Intro: E

E
And now, the end is near
? B
And so I face the final curtain
? E
You cunt, I´m not a queer
B E
I´ll state my case, of which I´m certain
E
I´ve lived a life that´s full
A
And each and every highway
E B
And yet, much more than this
E
I did it my way

E
There were times, I´m sure you knew
A
When there was nothing fucking else to do
? E B
But through it all, when there was doubt
Ab ?B
I shot it up or kicked it out
? E B
I fought them all just as before
E
And did it my way

Knocked out in bed last night
I´ve had my fill, my share of looting
And now, the tears subside
I find it all so amusing
To think, I killed a cat
And may I say, oh no, not their way
But no, no, not me
I did it my way

For what is a brat, what has he got
When he finds out that he cannot
Say the things he truly thinks
But only the words, not what he feels
The record shows, I´ve got no clothes
And did it my way
