

# Sex Pistols - Not Your Stepping Stone

Tom: F

tabbed by: Rick Peeters

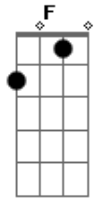

Cd: Kiss This

A C D F

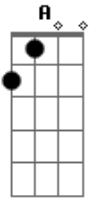

A G Fm F

This is it actually,  
 these two little riffs,  
 there's also a little solo in this song,  
 but i can't figure it out,  
 just listen to the record if you want to know when to play  
 witch riff,  
 email me with questions, tips, or whatever.  
 remember:  
 peace,  
 love,  
 empathy.
