Look at that
 Here she comes
 Here comes that girl again
 One of the cutest since I don't know when
 But she don't notice me when I pass
 She goes with all the guys from outta my class
 But that can't stop me from thinkin' to myself
 "She's sure fine lookin', man, she's something else"

Look at that
 'Cross the street
 There's a car built just for me
 To own a car would be a luxury
 But right now I can't afford the gas
 A brand new convertible is out of my class
 But that can't stop me from thinkin' to myself

"That car's fine lookin', man, it's something else"

Hey, look at that
 Just wait and see
 Worked hard and saved my dough
 I buy that car and then I roll up with Joe
 Get me that girl and we go ridin' around
 We look real sharp with the wide top down
 I keep on dreamin' and thinkin' to myself
 "When it all comes true, man, well that's something else"

Hey, look at that
 Watch out this
 Never thought I'd do this before

My car's out front and it's all mine
 It's a '41 job not a '59
 I got that girl and I'm thinkin' to myself
 "She's sure fine lookin', man, well she's something else"
