Shaggy Verse 1:
Gm Cm Bb F
Only love can conquer all
And move mountains when you cold makes you warm again
Only love heals a broken Heart
We been through it all girl came through the storm again
Find you joy let go a di past
Love invade you walls like the Trojan horse
Cah give up won't give in find the strength from within ask
yourself can you loose my Heart again.
I know your hurting but baby let my love set you free
I'll never let you fall let's go girl you can trust in me
Forever in my eyes you will always be the one for me ,
I'll always love you until they read out my eulogy
Chorus:
           Cm
    Gm
Only love , love , love
           Bb
Brings us together
