

Shakira - Costume Makes The Clown

Tom: D

Bm
Told you I felt lucky with my humble breasts **G**
Well I don't **Bm**
Said that I was sure the world was gonna change **G**
Well I'm not **Bm**
Before I didn't give a damn 'bout what they say **G**
But I do **Bm**
Promised that I'll never ever lie to you **G**

PRE-CHORUS:

So you can help **Em**
Taking the make-up off my face **A Em**
Before I forget my own features **A Gb**

CHORUS:

G A Bm
I'm not here to let you down
G A Bm
But the costume makes the clown
G A D
It's just lashing out on me **Bm**
Don't be so hard **G**
Don't be so hard on this **Gb**
It's your turn now
To cheat on me

Bm G
Promises I made to you went down the sink
Bm G
Really hope I haven't harmed your self esteem

Bm G
I'm not a virgin but I'm not the whore you think
Bm G
And I don't always smell like strawberries and cream

PRE-CHORUS:

So you can help **Em**
Taking the make-up off my face **A Em**
Before I forget who I am now **A Gb**

CHORUS:

G A Bm
'Cause I'm not here to let you down
G A Bm
But the costume makes the clown
G A D
It's just lashing out on me **Bm**
Don't be so hard **G**
Don't be so hard on this **Gb**
It's your turn now **G Bm G**
Your turn now...

G A Bm
I'm not here to let you down
G A Bm
But the costume makes the clown
G A D
It's just lashing out on me **Bm**
Don't be so hard **G**
Don't be so hard on this **Gb**
It's your turn now **G Bm G**
Your turn now... **Bm G Bm**
To cheat on me.
