Db Gb
 Broke my heart on the road,
 Db
 spent the weekend
 Gb
 sewing the pieces back on.

Db Gb
 Crimson thoughts pass me by,
 B
 walking gets too boring
 Gb
 when you learn how to fly.

Db Gb
 Not the homecoming kind,
 Db
 take the top off
 Gb
 and who knows what you might find.

Db Gb
 Won't confess all my sins

Pré-Refrão:
 B
 you can bet I'll try it,
 Gb
 but you can't always win.

Refrão:
 Db
 'Cause I'm a gypsy,
 Gb
 are you coming with me?
 Db
 I might steal your clothes
 Gb
 and wear them if they fit me.
 Db
 Never made agreements,
 Gb
 just like a gypsy,
 Db
 and I won't back down
 Gb
 'cause life's already bit me.
 B
 I won't cry, I'm too young to die
 Gb
 if you're gonna quite me,
 Db
 'cause I'm a gypsy..

 when you want to get hurt..
