

# Shakira - Mon Amour

Tom: D

(intro) D Gbm A

D Gbm D  
I think you are living in denial  
Oh can't you see she's pretty wild?  
And every night I pray that you don't knock her up  
'Cause I still want to be the mother of your child

D Gbm D  
They say "l'amour est né à Paris"  
So she's planned a little trip to France  
while she's in anxious anticipation  
I really hope you have a horrible vacation

D Gbm  
And so you think of me when you arrive.  
Hope the french fleas eat you both alive.  
And your room smells  
And the toilet doesn't flush  
And locals treat you mean  
And the service takes too long  
'Cause I'm fragile and you broke my heart in two  
But you just smile  
Like it's all the same to you, to you

A Db  
But when you learn your lesson  
Come back like a prodigal son  
Read the big sign at the airport  
Bienvenue from Hell, mon amour

A Db  
And when you learn your lesson  
Come back like a prodigal son  
Read the big sign at the airport  
Bienvenue from Hell, mon amour

( Gbm )

D Gbm D  
Where did you get the ability?  
To make fakes promises to me  
You are exactly like  
A politician  
Need everyone's approval just to see if you are doing right.

D Gbm  
And I hope you both freeze under the Eiffel Tower  
So you end up throwing in the towel

Hope you'll miss me  
And someday you're gonna see  
That I put my trust in you  
But you turned you back to me.  
'Cause I'm fragile and you broke my heart in two  
But you just smile  
Like it's all the same to you, to you

A Db  
But when you learn your lesson  
Come back like a prodigal son  
Read the big sign at the airport  
Bienvenue from Hell, mon amour

A Db  
And when you learn your lesson  
Come back like a prodigal son  
Read the big sign at the airport  
Bienvenue from Hell, mon amour
