

Shakira - Te Dejo Madrid Intro

Tom: **E** begining riff again then this again

at the begining and in between verses so here it is. Starts
out like this where the or is and then this before the harmonica
you can play either one of those chords they sound the same

you play the above riff untill she stats singing the verse and then this over the harmonica part as many times as needed
there is no guitar there
when then this at the end play this 6 times at the end and fade a
it comes back in it plays this lil bit on the last three times

after that is the chorus with no guitar then u play the keep makin it softer each time till can barely be heard if you
have a volume pedal use
if
not try picking softer.
