   Bbm          Gb
Oh oh oh oh oh
Bbm          Ab
Oh oh oh oh oh
Bbm          Gb
Oh oh oh oh oh
Bbm    Ab    Db
Oh oh oh oh oh

                Bbm
I messed up tonight
                 Gb
I lost another fight
              Bbm                        Ab
I still mess up but I'll just start again
                Bbm
I keep falling down
                  Gb
I keep on hitting the ground
               Bbm      Ab          Db
I always get up now to see what's next

Bbm               Gb
Birds don't just fly
           Bbm         Ab
They fall down and get up
Bbm        Gb            Bbm  Ab  Db
Nobody learns without getting it won

             Bbm            Gb
I won give up, no I won give in
                  Bbm
Till I reach the end
                   Ab
And then I start again
                  Bbm
Though I on the lead
                   Gb
I wanna try everything
               Bbm    Ab            Db
I wanna try even though I could fail
             Bbm             Gb
I won give up, no I won give in
                  Bbm
Till I reach the end
                   Ab
And then I start again
             Bbm
No I won't leave
                 Gb
I wanna try everything
             Bbm          Ab        Db
I wanna try even though I could fail

Bbm          Gb
Oh oh oh oh oh
Try everything
Bbm          Ab
Oh oh oh oh oh
Try everything
Bbm          Gb
Oh oh oh oh oh
Try everything
Bbm    Ab    Db
Oh oh oh oh oh

                        Bbm
Look how far you've come
                           Gb
You filled your heart with love
                    Bbm                          Ab
Baby you've done enough that cut your breath
                     Bbm
Don't beat yourself up
                    Gb
Don't need to run so fast
                    Bbm          Ab       Db
Sometimes we come last but we did our best
              Bbm            Gb
I won give up, no I won give in
                    Bbm
Till I reach the end
                     Ab
And then I start again
                    Bbm
Though I on the lead
                  Gb
I wanna try everything
                  Bbm          Ab     Db
I wanna try even though I could fail
                Bbm             Gb
I won give up, no I won give in
                   Bbm
Till I reach the end
                    Ab
And then I start again
                Bbm
No I won't leave
                  Gb
I wanna try everything
                Bbm          Ab      Db
I wanna try even though I could fail

Gb             Bbm     Db      Ab
I'll keep on making those new mistakes
Gb             Bbm      Db    Ab
I'll keep on making them every day
      Bbm    Db
Those new mistakes

Bbm          Gb
Oh oh oh oh oh
Try everything
Bbm          Ab
Oh oh oh oh oh
Try everything
Bbm          Gb
Oh oh oh oh oh
Try everything
Bbm    Ab    Db
Oh oh oh oh oh

Gb   Ab     Db
Try everything
