

# Shakira - Your Embrace

Tom: C

C Am  
Tell me, what's the use  
Em  
Of the twenty-four inch waist  
F  
If you don't touch me?  
C Am  
Tell me, what's the use again  
Em  
Of being on TV every day  
F G  
If you don't watch me?

PRE-CHORUS:

F G  
This house is full of emptiness  
Em  
My closet's full of dresses  
F  
That I'll never wear  
Dm  
My life is full of people  
G  
But you're my only friend  
C  
My best friend

CHORUS:

C F  
Hope it isn't too late

To say "I love you"  
F G  
Hope it isn't too late to say  
Am Em F  
That without you this please looks like London  
C Dm  
It rains every day  
Dm7  
Don't you know it, babe  
G  
I'm only half a body  
Am Am Am F  
Without your embrace  
C Am  
Let me tell you why  
Em  
My heart is an unfurnished room  
F  
Any suggestions?  
C Am

Don't have to tell you more than that  
Em  
'Cause no one knows me like you do  
F G  
Without exception
