 [Primeira Parte]

 We could be together like a clock
 Dbm
 Take our time and make it ours
 A
 We could be something they're not
 E A
 We could climb a hill and look at stars
 Dbm
 They say stars are way too far
 A
 But I know right where you are
 [Pré-Refrão]
 Dbm
 All my friends, they keep asking
 B
 "How do you spend all your days by her side?"
 E A
 And I just said, "I'll love her 'til I die"
 Dbm
 Your friends, they keep asking
 B
 "Do you want to spend all your years by his side?"
 E A
 And you just said, "I will never say goodbye"
 (Dbm A Dbm A)
 [Segunda Parte]
 E A
 We could fill the space that's in between
 Dbm
 Hide away under the sheets

A
 Take a day, just you and me
 E A
 And we could stay up late and watch TV
 Dbm
 But we don't have to see the screen
 A
 Just talk until we fall asleep
 [Pré-Refrão]
 Dbm
 All my friends, they keep asking
 B
 "How do you spend all your days by her side?"
 E A
 And I just said, "I'll love her 'til I die"
 Dbm
 Your friends, they keep asking
 B
 "Do you want to spend all your years by his side?"
 E A
 And you just said, "I will never say goodbye"
 [Ponte]
