

Shaman - Iron Soul

Tom: Gb

Look around, what do you see

Db B
Caught up in humility?

Ab
Too many souls are on their own

A
Fallen angels moving on
Gb

There's more to get, more to find

Db B
Feelings of another kind

Ab
The chice is set, take it soon

A
For even you won't be immune now
Gb

I'd count it a miracle

D B
If I ever see your smile

Gb E
Throw away your illusions, dear

D B
Don't keep trusting your own lies

A G
Who's in command of your heart, of your hope?

Gb Db E B
Past thoughts are vague, running out of control

Gb Db E D

Yet someday, still alive

Db B
You will find a will to strive

Ab
For someone else will come along

A
To lift you up, to right the wrong

Gb B
And you will see within your eyes

A
Figures that comes back to life

Ab
You'll touch the wounds that never heal

Gb
Love is raw, it's not for real

I'd count it a miracle

D B
If I ever see your smile

Gb E
Throw away your illusions, dear

D B
Don't keep trusting your own lies

A G
Who's in command of your heart

D B
Of your hope?

Gb E
Past thoughts are vague

D B
As they soar high and low

A G

Who's in command of your heart, of your hope?

Gb Db E B
Past thoughts are vague, running out of control

Gb Db E D

There was a time when the fields were green
The world was one, life was filled with something

There was a blue sea, on the horizon
There was a dream of a lasting fire

B
We bottomed out, life's become so cruel

Db B Db
Along the way, a regardless torment

Db B Ab
Is there a cause that we would die for?

A Ab Gb
Is there a place where the spirit lives on?

A B

Who's in command of your heart, of your hope?

Gb Db E B
Past thoughts are vague, running out of control

Gb Db E D

There's more to know and there's much more beyond

Gb Db E B
The faith that you've lost you will find on your

Gb Db E D
own
