

# Shaman - Pride

Tom: **B**  
Intro: (depois do solo)

Somedays I wish run away  
Fall in the love and stray,  
My life is turning,turning

But when there's nowhere else to go  
Pray to the Lord, my soul,  
My heart is burning,burning

You betray yourself  
When you think  
That you're someone else

Someday I'll understand my dreams  
So deep inside  
And them I'm free again to leave  
The pain behind

Right here in my hand  
Feelings I can't hide  
Someday I'm gone away with nothing  
But my pride

Somedays I wish run away  
Fall in the love and stray,  
My life is turning,turning

But when there's nowhere else to go  
Pray to the Lord, my soul,  
My heart is burning,burning

You forgive yourself  
When you know  
That you're someone else

Someday I'll understand my dreams  
So deep inside  
And them I'm free again to leave  
The pain behind

Right here in my hand  
Feelings I can't hide  
Someday I'm gone away with nothing  
But my pride

Dai vem um riff de baxo e um solo de guita, a base do solo é:

You forgive yourself  
When you know  
That you're someone else

Someday I'll understand my dreams  
So deep inside  
And them I'm free again to leave

The pain behind

Right here in my hand  
Feelings I can't hide  
Someday I'm gone away with nothing  
But my pride
