

Shaman's Harvest - In The End (Acoustic)

tom:

Intro: **Em Cm7 G#2 Fm Em**
 In the end, could you say you won with certainty.
Em Cm7 G#2 Fm Em
 Or did time, drag you through the mud with gravity.
Em Cm7 G#2 Cm7 Em
 All I know you never really get the feelin' that it
 is over.
Em Cm7 G#2
 In the end.

Verse

G#2
 Your words crush like a hammer, on the anvil in my heart.
Em
 Any thought of a compromise, turns to shrapnel in my mouth.
G#2
 You were so fuckin' heavy when I was getting off the ground.
Em
 I carried you to the finish line, you disappeared into the
 crowd.

Verse

G#2
 The stars seem so far away, like the the distance in your
 eyes.
Em
 Glazing over the moment, I gave in without a fight.
G#2
 I have no regrets for following desire.
Em

Acordes

But now the roses in the window sill, have grown into barbed
 wire.

Bridge

Bb Em
 As the world slowly dies from a broken heart, we were shot
 down from the start.
G#2 Cm7
 Never could quite pass out from the pain.
Bb Em
 Is this supposed to be a second chance will we remember how to
 dance?
G#2 Cm7
 Turnin' circles over all our days.
Bb Em G#2 Cm7
 All our days, our days?????????
Bb Em G#2 Cm7
