

# Shane Macgowan And The Popes - Song With No Name

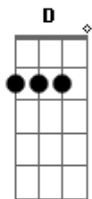

Tom: D  
Intro: D G D

Long years ago i fell in love  
 With a lady proud and fair  
 So passionate were she and I  
 We made fire in the air  
 I loved her more than life itself  
 She loved me just the same  
 And it broke my heart, to think we'd part  
 If she ended the affair  
  
 But I was brutal, I was ignorant, I was cruel, I was brash  
 I never gave a damn about the beauty that I smashed  
 No sadist I, I found delight in making my love cry  
 Now I'd pray for a single kiss from her

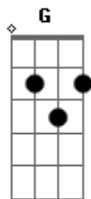

To be lashed and crucified

( D G D )

 ( D G D )  
  
 And now I fear this lady fair  
 Can never more be mine  
 Long gone are nights in my lonely bed  
 All suffering and crying  
 And though I fear that through this life  
 She'll call me only friend  
 Til I'm dead and burried in my grave  
 My love will never end
