

Shania Twain - If you wanna touch her, ask!

Tom: C

1. Let me let you in on a secret, how to treat a woman right.

If you're looking for a place in her heart,
it ain't gonna happen overnight.

2. First you gotta learn to listen,
to understand her deepest thoughts.

She needs to know you can be friends,
before she'll give you all she's got.

If you start from the heart, you'll see love is gonna play
its part.

If you wanna get to know her, really get inside her mind.

If you wanna move in closer, take it slow, yeah, take your
time.

You must start from the heart and then, if you wanna touch
her,

really wanna touch her, if you wanna touch her, ask !

And a lot of love and tenderness, is gonna get you into her
arms.

Gotta start from the heart, you'll see love is gonna play
its part.
