

Shania Twain - Is There Life After Love?

Tom: G

G C Am G
 Every road had a rainbow, and every wish had a star
 C Am G
 Every tear had a shoulder to cry on, and every night had guitars
 C C Em
 But every fool's a lonely fool, and such a fool am I
 C Am C D
 Cause every night I think of you, and every night I die
 Chorus:
 G Em
 Is there life after love
 C Am G D
 Some things aren't certain, but some things I'm sure of
 G C G Em
 Like angels in heaven, and God up above
 C D G

But is there life after love?
 G C Am G
 You gave me forgiveness, but you could not forget
 G C Am G
 No, I should never have told you what I'll live to regret
 C G Em
 The truth lies between us, but I can't take it back
 C Am C D
 It's too late for lying now, it's too late for that
 Chorus
 Bridge:
 G Em D
 Here I am, there you are
 G Am G D
 We're so far apart let's pretend that I've never been
 Em C
 In his hands, in his heart
 G Am C D
 Can't we just start all over again?
 Chorus (1\2 step up, not sure what key)

Acordes
