Tom: E

Abm E  
Found it in his closet  
Abm E  
Right behind the lies  
Abm E  
I wish I never saw it

The secret in his eyes

Abm Gb E  
Poor me

E  
He never told me how long

No one turned the light on  
Abm Gb  
I fell and broke my heart

Poor me  
Abm Gb E  
Poor me

Abm  
Poor me this, poor me that  
E  
Why do I keep looking back?  
Abm  
Poor me this, poor me that  
E  
It's not white, it's not black  
E Gb  
Grey's the colour that I see  
E Gb  
Still can't believe he'd leave me  
To love her

Abm Gb E  
Poor me another

E  
Tried to face it  
Abm  
But so far down inside  
Gb E  
I just can't shake it  
Abm  
My stupid pride
