

Shania Twain - Poor Me

Tom: E

Abm E
Found it in his closet
Abm E
Right behind the lies
Abm E
I wish I never saw it
Abm E
The secret in his eyes

Abm Gb E
Poor me

E
He never told me how long
Gb Abm E
I'd been living in the dark
Abm Gb
No one turned the light on
Abm Gb
I fell and broke my heart

Abm Gb E
Poor me
Abm Gb E
Poor me

Abm
Poor me this, poor me that
E
Why do I keep looking back?
Abm
Poor me this, poor me that
E
It's not white, it's not black
E Gb
Grey's the colour that I see
E Gb
Still can't believe he'd leave me
To love her

Abm Gb E
Poor me another

E
Tried to face it
Abm
But so far down inside
Gb E
I just can't shake it
Abm
My stupid pride

B E Gb Abm

Poor me, poor me

Abm
Poor me this, poor me that
E
Why do I keep looking back?
Abm
Poor me this, poor me that
E
It's not white, it's not black
E Gb
Grey's the colour that I see
E Gb
Still can't believe he'd leave me
To love her

B E Gb Abm
Poor me, poor me

B A E
I know it should get better
B A E
Oh, but it never does
B A E
I wish he'd never met her
B A E
Then everything would be the way it was

Abm Gb E
Poor me this
Abm Gb E
Poor me that
Abm Gb E
Poor me this
Abm Gb E
Poor me that

Abm
Poor me this, poor me that
E
Why do I keep looking back?
Abm
Poor me this, poor me that
E
It's not white, it's not black
E Gb
Grey's the colour that I see
E Gb
Still can't believe he'd leave me
To love her

Abm Gb E
Poor me
Abm Gb E
Poor me another
