

Shania Twain - You're Still The One

Tom: Eb

Looks like we made it Look how far we've come my baby
We might a took the long way We knew we'd get there someday

They said "I bet they'll never make it"
But just look at us holding on
We're still together still going strong

(You're Still The One) You're Still The One I run to
The one that I belong to
You're Still The One I want for life

(You're Still The One) You're Still The One that I
love

The only one I dream of You're Still The One I kiss
good night

Eb Eb Ab Bb

Ain't nothin' better We beat the odds together
I'm glad we didn't listen Look at what we would be missin'

They said "I bet they'll never make it"
But just look at us holding on
We're still together still going strong

(You're Still The One) You're Still The One I run to
The one that I belong to
You're Still The One I want for life

(You're Still The One) You're Still The One that I
love

The only one I dream of You're Still The One I kiss
good night (2 X)

I'm so glad we made it
Look how far we've come my baby
