

Shania Twain - You're Still The One

Tom: Eb

Looks like we made it Look how far we've come my baby
 We might a took the long way We knew we'd get there someday

They said "I bet they'll never make it"
 But just look at us holding on
 We're still together still going strong

(You're Still The One) You're Still The One I run to
 The one that I belong to
 You're Still The One I want for life
 (You're Still The One) You're Still The One that I

love
 The only one I dream of You're Still The One I kiss
 good night

Looks like we made it Look how far we've come my baby

Ain't nothin' better We beat the odds together
 I'm glad we didn't listen Look at what we would be missin'

They said "I bet they'll never make it"
 But just look at us holding on
 We're still together still going strong

(You're Still The One) You're Still The One I run to
 The one that I belong to
 You're Still The One I want for life
 (You're Still The One) You're Still The One that I

love
 The only one I dream of You're Still The One I kiss
 good night (2 X)

I'm so glad we made it
 Look how far we've come my baby
