Am  
There were your eyes  
Em  
In the dark of the room  
C  
The only ones shining  
Am Em  
The only set I had met in years  
Am  
It's not because I always look down  
C Em Am  
It might be I always look out  
C Em Am  
It might be I always look out  
C Em  
I am biting my lip  
Am  
As confidence is speaking to me  
C Em Am  
I loosen my grip from my palm  
C  
Put it on your knee  
Am7  
In my way, I say  
Am Em  
You're the reason why I'll move to the city or  
G C  
Why I'll need to leave  
Am Em  
You're the reason why I'll move to the city or  
G C  
Why I'll need to leave  
Am  
There was your breath  
Em  
On the back of my neck  
C  
The only one holding

Am Em  
The only one I had felt in years  
Am  
It's not because I always hold on  
C Em Am  
It might be I always hold out  
C Em Am  
It might be I always hold out  
C Em  
I am biting my lip  
Am  
As confidence is speaking to me  
C Em Am  
I loosen my grip from my palm  
C  
Put it on your knee  
Am7  
In my way, I say  
Am Em  
You're the reason why I'll move to the city or  
G C  
Why I'll need to leave  
Am Em  
You're the reason why I'll move to the city or  
G C  
Why I'll need to leave

So what's with the eyes  
Em  
In the back of the room  
C  
The only ones trying  
Am Em  
The only ones I have let in years  
Am  
It's not because I always give up

It might be I always give out  
C Em Am  
It might be I always give out  
C Em Am
