```
Tom: C
 (forma dos acordes no tom de G )
Capostraste na 5º casa
There's things I've been needin' to tell you
There's things that I've just got to say
  Em
So let's go for a walk
       Em
Somewhere quiet and talk
Maybe you'll see it my way
I felt for a while we've been drifting C D G
With no reason to stay or to go
But I hope that whatever wind blew us together C D G
Is stronger than we even know
So walk me over this bridge Em C G
River is so deep and so wide
Just walk me over the bridge my darling
To get to the other side
There's times I know you inside and outside
```

```
There times I don't know you at all
     Em
But whatever we got threw
I will be here loving you
even times you when you don't hear me call
I know what we have is worth having
And I know what's a head is worth more
So lets go for a walk somewhere quiet to talk
Will see just what life's got in store
So walk me over this bridge
River so deep and so wide
Just walk me over the bridge my darling A \begin{tabular}{ll} D \end{tabular} \begin{tabular}{ll} G \end{tabular}
Please be my place to hide
So walk me over this bridge Em C G
River so deep and so wide
Just walk me over the bridge my darling
To get to the other side
