

# Shaun Johnston - The Bridge (Heartland Soundtrack)

Tom: G

There's things I've been meaning to tell you  
 There's things that I've just got to say

So let's go for a walk  
 Somewhere quiet to talk  
 Maybe you'll see it my way

I felt for a while we've been drifting  
 With no reason to stay or to go  
 But I hope that whatever wind blew us together  
 Is stronger than we even know

So walk me over this bridge  
 The river is so deep and so wide  
 Just walk me over the bridge my darling  
 To get to the other side

There's times I know you inside and outside

There times I don't know you at all  
 But whatever we got threw  
 I will be here loving you  
 Even times you when you don't hear me call

I know what we have is worth having  
 And I know what's ahead is worth more  
 So lets go for a walk somewhere quiet to talk  
 We will see just what life's got in store

So walk me over this bridge  
 The river is so deep and so wide  
 Just walk me over the bridge my darling  
 Please be my place to hide

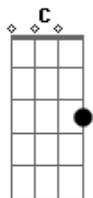

So walk me over this bridge  
 The river is so deep and so wide  
 Just walk me over the bridge my darling

To get to the other side
