

# Shawn Hlookoff - She Could Be You

Tom: A

(intro) Bb Gm Eb F

I'm haunted by this photograph, don't know why  
 Every time I look I get shivers down my spine  
 You're such a beautiful face  
 I know those eyes  
 They take me back in time

She could be you I wouldn't even know  
 She could be you but that was long ago  
 She could be you

(intro 2x) Bb Gm Eb F

Bb Gm Eb F

I wish that I could tell you what you don't know  
 I dream about that day but it's impossible

In another world I'll be yours tonight  
 But I can't break free from this life

She could be you I wouldn't even know  
 She could be you but that was long ago  
 She could be you I see it all the time  
 I know it's true a picture doesn't lie

She could be you I wouldn't even know  
 She could be you but that was long ago  
 She could be you  
 She could be you  
 She could be you
