Tom: Bb

(com acordes na forma de G)
 Capotraste na 3ª casa
 (capo 3ª casa)

(intro) G Em C D

I'm haunted by this photograph, don't know why
 Every time I look I get shivers down my spine

There's such a beautiful face

I know those eyes

That take me back in time

She could be you I wouldn't even know
 She could be you but that was long ago
 She could be you

(G Em C D)

I wish that I could tell you what you don't know
 I dream about that day but it's impossible

In another world I'd be yours tonight
 But I can't break free from this life

She could be you I wouldn't even know
 She could be you but that was long ago
 She could be you

She could be you I see it all the time
 I know it's true a picture doesn't lie

She could be you I wouldn't even know
 She could be you but that was long ago
 She could be you

She could be you
 She could be you
