Intro: (C G C F)

(F Am G)

we were raised by wolves
 and we are still wild
 and we howl when the troubled wind blows
 and in the tv's blue light
 (Oh) assassins will lie
 if we will just going down slow

CHORUS:

so don't tread on me
 for i am your brother
 i was born with an american heart

and don't tread on her
 for she is your sister
 she was born with an american heart

and all the people you meet
 down in the streets

C)

may be good but they don't wanna know
 so they cover their eyes
 for who wants to be sad
 life is sweet on the bottom of the sea

(CHORUS)

and the mothers will cry
 fathers stay up all night
 with the chill that goes to the bones
 and if your god makes war
 then he's no god i know
 cause christ would not send boys to die

(CHORUS)

don't you get low as hell
 when the peace dove is filled
 By a man with the blackest of minds
 and above the den
 let the sighing begin
 as we're bound for the longest of roads

(CHORUS)
