

Shawn James - American Hearts (A. A. Bondy) | Wolf Sanctuary

Tom: E

Intro: E B E A
A Dbm B

We were raised by wolves
And we are still wild
And we howl when the troubled wind blows
And in the tv's blue light
Oh assassins will lie
If we will just going down slow

Refrão:

So don't tread on me
For i am your brother
I was born with an american heart

And don't tread on her
For she is your sister
She was born with an american heart

And all the people you meet
Down in the streets

May be good but they don't wanna know
So they cover their eyes
For who wants to be sad
Life is sweet on the bottom of the sea

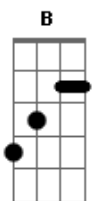

Refrão:

And the mothers will cry
Fathers stay up all night
With the worry that goes to the bones
And if your god makes war
Then he's no god i know
Cause christ would not send boys to die

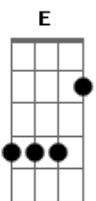

Refrão:

Don't you get low as hell
When the peace dove is filled
By a man with the blackest of minds
And above the den
Let the sighing begin
As we're bound for the longest of days
