Shawn James - Not Alone

```
                        tom:
                    D
Intro: A   D   Em
        A   D   Em
        A   D   Em
        A   D   Em   D
```

[Primeira Parte]

```
Em                      D
If you feel you're all alone
Em                      D
If you got no place to call home
Em                G         D
I can tell you that I've been there
Em              G         D
Keep your head up & don't despair
```
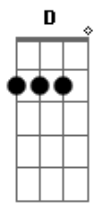

[Refrão]

```
D                          Em
If I could take all of your pain away
Em
I'd throw them in the ocean & let them
                  D
Sink all the way down
D                          Em
If I could end all the wars & murders
Em              G             A
I'd bury them so deep that they'd never
                    D
Find a way out the ground
```
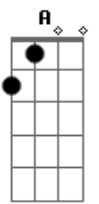

[Segunda Parte]

```
Em
Life will sometimes throw the worst
        D
Possible pitch
Em
But the heart is stronger than what hard
D
Times give
Em              G             D
I can tell you of all that I've lost
Em              G         D
```
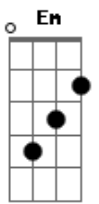

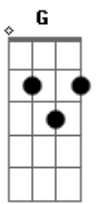

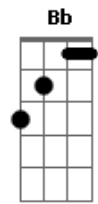

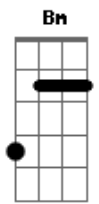

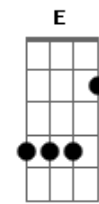

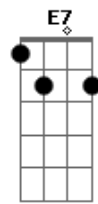

I still feel my misery & scars

[Refrão]

```
D                          Em
If I could take all of your pain away
Em
I'd throw them in the ocean & let them
                  D
Sink all the way down
D                          Em
If I could end all the wars & murders
Em              G             A
I'd bury them so deep that they'd never
                    D
Find a way out the ground
```

[Terceira Parte]

```
A               Bb
Listen close & hear
            Bm
I want you to let go of your fear
                        E
You can find love
            E7                A
Let go of your strife & get what you
            A   Bb
Want in your life
```

[Refrão]

```
D                          Em
If I could take all of your pain away
Em
I'd throw them in the ocean & let them
                          D
Sink all the way down
D                          Em
If I could end all the wars & murders
Em              G             A
I'd bury them so deep that they'd never
                    D
Find a way out the ground
```
