

# Shawn James - That's Life

Tom: C  
Intro: G B7 C A  
G B7 Em A D

That's life, that's what all the people say  
You're ridin' high in April, shot down in May  
But I know I'm gonna change that tune  
When I'm back on top, back on top in June

That's life, and as funny as it may seem  
Some people get their kicks stompin' on a dream  
But I don't let it get me down  
'Cause this fine old world, it keeps me spinnin' around

[Refrão]

I've been a puppet, a pauper, a pirate, a poet, a pawn and a king  
I've been up and down and over and out and I know one thing  
Each time I find myself flat on my face  
I just pick myself up and get back in the race

That's life, oh, that's life and I can't deny it

Many times I thought of cuttin' out but my heart won't buy it  
And if I didn't think it was worth one single try  
Well, I'd on a big bird and then I'd fly

[Refrão]

I've been a puppet, a pauper, a pirate, a poet, a pawn, oh, and a king  
I've been up and down and over and out and I know one thing  
Each time I find myself flat on my face  
I just pick myself up and get back in the race

That's life, oh, and I can't deny it  
Many times I thought of cuttin' out but my heart won't buy it  
And if there's nothin' shakin' come this here July  
Well, I'm gonna roll myself up in a big ball a-and die

That's life, and as funny as it may seem  
Some people get their kicks stompin' on a dream  
But I don't let it get me down  
'Cause this fine old world, it keeps me spinnin' around

## Acordes
