

Shawn James - Who Did That To You?

```
[Intro] Em C Em C
      Em C B7
Now I?m not afraid to do the Lords work
You say vengeance is his, but Imma do it first
I?m gonna handle my business in the name of the law
Now if he made you cry, oh, I gotta know
If he?s not ready to die, he best prepare for it
My judgement?s divine, I'll tell you who you can call, You can
You better call the police, call the coroner
Call up your priest, have him warn ya
Won't be no peace when I find that fool
              Em C
Who did that to you, oh
              Em
Who did that to you, my darling
             Em
Who did that to you
Gotta find that fool
Now I don?t take pleasure in a man?s pain
But my wrath will come down like the cold rain
And there won?t be no shelter, no place you can go
```

Now he?ll keep on running, but I?m closing near
I'll hunt him down, till the very end
