tom:  
 Capotraste na 4ª casa  
 Intro:

I'm on a rollercoaster ride  
 Hoping you don't change your mind  
 I don't wanna let go, never been so sure in my life

[Primeira Parte]

You're my sunlight on a rainy day  
 Would take my heart with you if you walked away  
 I'm a mess right now, I'm a wreck right now  
 I'm waiting for the moment that you let me down  
 If you cut the cord, I don't know what I'd do  
 Don't wanna skydive without my parachute  
 I'm a mess right now, baby, help me out  
 I'm scared I'm gonna wake up and you'll let me down

[Pré-Refrão]

This feeling doesn't fade no matter how hard that I try  
 I always think about it at the same time every night

[Refrão]

I'm on a rollercoaster ride  
 Hoping you don't change your mind  
 I don't wanna let go, never been so sure in my life  
 I'm terrified  
 You'll turn around and say goodbye  
 Hoping you don't change your mind  
 I don't wanna let go, I've never been so sure in my life

[Segunda Parte]

If there's a door to heaven, baby, you're the key  
 And if I had to beg, I'd be on my knees

Oh, please don't say anything has changed  
 You're the one I wanna wake up next to every day

[Pré-Refrão]

This feeling doesn't fade no matter how hard that I try  
 I always think about it at the same time every night

[Refrão]

I'm on a rollercoaster ride  
 Hoping you don't change your mind  
 I don't wanna let go, never been so sure in my life  
 I'm terrified  
 You'll turn around and say goodbye  
 Hoping you don't change your mind  
 I don't wanna let go, I've never been so sure in my life

[Ponte]

I want to be with you  
 I want to fly with you  
 I want to be with you

[Refrão]

I'm on a rollercoaster ride  
 Hoping you don't change your mind  
 I don't wanna let go, never been so sure
