

Shawn Mendes - Bring It Back

Tom: **A**

(forma dos acordes no tom de **G**)
Capostrate na 2ª casa

Taking it slow isn't easy, if as far as you go

Is only half as far as you and I both know, yeah

Coming up from above, a little something
And it's only because I don't ever wanna see you in love
But I know

That you've been coming off strong lately
And I can feel it there
You been thinking that maybe you got a, another shot at me
Thinking possibly somehow, but not now

You been thinking that maybe you got a, another shot at me
Thinking possibly somehow, but not now

And it's been spinning around like a hurricane
And the sound of the thunder
That's beating my head to the ground

But I, I know

Am
That I can't go back
