

# Shawn Mendes - Crazy

Tom: Bb

(com acordes na forma de Capostrate na 3ª casa G )

Think I don't need a watch to tell the time

Think I don't need the sun to help me shine

Think I don't need a girl to be alright

Guess I didn't know

That I didn't need shoes on my feet

That I didn't need a bed to fall asleep

That I didn't need love to be complete

Guess I didn't know

That I just got this crazy feeling

I've been making someone wait for me,

for me

You're all I think about when I'm awake

Part of every night and every day

And everything's a mess when you're away

Now I know

All of this is good and really old

I'm having trouble sleeping on my own

Feeling like a house but not a home

I want you to know

That I just got this crazy feeling

I've been making someone wait for me,

for me

Guess I need a watch to tell the time

Guess I need the sun to help me shine

And I really need you in my life

Now I know

That you give me this crazy feeling

And you won't have to wait no more for me,

for me

And I just got this crazy feeling

I've been making someone wait for me
