 'Cause this was only ever meant to be for one night

 Still, we're changing our minds here
Eb
 Be yours, be my dear
Ab
 So close with you on my lips
Ab
 Touch noses, feeling your breath
Fm
 Push your heart and pull away, yeah
Fm
 Be my summer in a winter day love
Db
 I can't see one thing wrong
Eb
 Between the both of us
Ab
 Be mine, be mine, yeah
Ab
 Anytime, anytime

[Pré-Refrão]

Fm **Db** **Ab** **Eb**

 But since you came along

I'm thinking baby

 Trapped up on a tightrope now we're here, we're free
