

# Shawn Mendes - If The World Was Ending

tom:  
 I was distracted  
 And in traffic  
 I didn't feel it  
 When the earthquake happened  
 But it really got me thinkin'  
 Were you out drinkin'?  
 Were you in the living room  
 Chillin' watchin' television?  
 It's been a year now  
 Think I've figured out how  
 How to let you go and let communication die out

[Pre-Chorus]  
 I know, you know, we know  
 You weren't down for forever and it's fine  
 I know, you know, we know  
 We weren't meant for each other and it's fine

[Chorus]  
 But if the world was ending  
 You'd come over, right?  
 You'd come over and you'd stay the night  
 Would you love me for the hell of it?  
 All our fears would be irrelevant  
 If the world was ending  
 You'd come over, right?  
 The sky'd be falling and I'd hold you tight  
 And there wouldn't be a reason why  
 We would even have to say goodbye  
 If the world was ending  
 You'd come over, right?  
 Right?  
 If the world was ending  
 You'd come over, right?  
 Right?

[Verse 2]  
 I tried to imagine  
 Your reaction  
 It didn't scare me when the earthquake happened  
 But it really got me thinkin'  
 That night we went drinkin'  
 Stumbled in the house  
 And didn't make it past the kitchen  
 Ah, it's been a year now  
 Think I've figured out how  
 How to think about you without it rippin' my heart out

[Pre-Chorus]  
 I know, you know, we know  
 You weren't down for forever and it's fine  
 I know, you know, we know  
 We weren't meant for each other and it's fine

[Chorus]  
 But if the world was ending  
 You'd come over, right?  
 You'd come over and you'd stay the night  
 Would you love me for the hell of it?  
 All our fears would be irrelevant  
 If the world was ending  
 You'd come over, right?  
 The sky'd be falling and I'd hold you tight  
 And there wouldn't be a reason why  
 We would even have to say goodbye  
 If the world was ending  
 You'd come over, right?  
 Right?  
 If the world was ending  
 You'd come over, right?  
 Right?

[Pre-Chorus]  
 I know, you know, we know  
 You weren't down for forever and it's fine  
 I know, you know, we know  
 We weren't meant for each other and it's fine

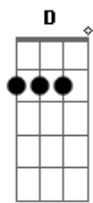

[Chorus]  
 But if the world was ending  
 You'd come over, right?  
 You'd come over and you'd stay the night  
 Would you love me for the hell of it?  
 All our fears would be irrelevant  
 If the world was ending  
 You'd come over, right?  
 The sky'd be falling and I'd hold you tight  
 And there wouldn't be a reason why  
 We would even have to say goodbye  
 If the world was ending  
 You'd come over, right?  
 Right?
