[Primeira Parte]

Oh, there she goes again, every morning it's the same

You walk on by my house, I wanna call out your name

I wanna tell you how beautiful you are from where I'm standing

You got me thinking what we could be 'cause

[Pré-Refrão]

I keep craving, craving you

You don't know it but it's true

Can't get my mouth to say the words they wanna say to you

This is typical of love

Can't wait anymore, I won't wait I need to tell ya how I feel when I see us together forever

[Refrão]

In my dreams, you're with me

We'll be everything I want us to be

And from there, who knows?

Maybe this will be the night that we kiss for the first time

Or is that just me in my i-magina-tion?

[Segunda Parte]

We walked, we laughed, we spent our time, walking by the ocean side

My hands are gently intertwined, a feeling I just can't describe

All this time we spent alone, thinking we could not belong

To something so damn beautiful, so damn beautiful

[Pré-Refrão]

I keep craving, craving you

Don't know it but it's true

Can't get my mouth to say the words they wanna say to you

This is typical of love

Can't wait anymore, I won't wait I need to tell ya how I feel when I see us together forever

[Refrão]

In my dreams, you're with me

We'll be everything I want us to be

And from there, who knows?

Maybe this will be the night that we kiss for the first time

Or is that just me in my imagination?

[Ponte]

Oooohhh...imagination

Oooohhh...imagination

[Refrão]

In my dreams, you're with me

We'll be everything I want us to be

And from there, who knows?

Maybe this will be the night that we kiss for the first time

Or is that just me in my imagination?

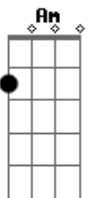

[Pré-Refrão]

I keep craving, craving you

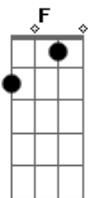

Don't know it but it's true

Can't get my mouth to say the words they wanna say to you
