

# Shawn Mendes - In My Blood

Tom: E

[Primeira parte]

E  
Help me  
A  
It's like the walls are caving in  
Dbm  
Sometimes I feel like giving up  
A  
But I just can't  
E  
It isn't in my blood  
Laying on the bathroom floor  
A  
Feeling nothing  
I'm overwhelmed and insecure  
Dbm  
Give me something  
A  
I could take to ease my mind slowly  
Just have a drink  
E  
And you'll feel better  
Just take her home  
A  
And you'll feel better  
Dbm  
Keep telling me that it gets better  
A  
Does it ever?

[Segunda parte]

E  
Help me  
A  
It's like the walls are caving in

Sometimes I feel like giving up

Someone help me  
A  
I'm crawling in my skin

But I just can't
