

Shawn Mendes - Isn't That Enough

tom:

G

Sweet is the Sun
 Warm is the rain
 June is the month
 Free is the day

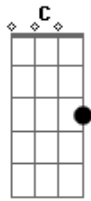

My hands still shakin'
 My mind's still racin'
 My heart's still breakin' in two
 I'm still changin'
 My friends stay patient
 My mother still calls for the news

Isn't that enough?
 Isn't that enough?
 Isn't that enough?

Isn't that enough?

Gone are the birds
 Close are the tears
 A house full of love
 Space for your fears

My hands still shakin'
 My mind's still racin'
 My heart's still breakin' in two
 I'm still changin'
 My friends stay patient
 My mother still calls for the news

Isn't that enough?
 Isn't that enough?
 Isn't that enough?
