

# Shawn Mendes - Look Up At The Stars

tom:

Intro: **D** **A** **Bm** **A**  
 Look up at the stars, they're like pieces of art  
 Floating above the ground

[Primeira Parte]

And the streetlights are all saying your name

They always say your name

Before you go home, I should let you know

I'm so glad that you came

I know that we went late  
 [Refrão]

But look up at the stars

They're like pieces of art

Floating above the ground

You know we could fly so far, the universe is ours

I'm not gonna let you down  
 [Pré-Refrão]

I am feeling so lucky (Lucky, lucky, lucky)

The sun shining down on me (On me, on me, on me)

Got these angels all around m?

I'll never be alon?

[Refrão]

Look up at the stars, they're like pieces of art

Floating above the ground

You know we could fly so far, the universe is ours

And I'm not gonna let you down

[Segunda Parte]

Finally we've met, now the lights are set

To be together in this town, yeah

A couple of years we've been making plans

Somehow you always seem to understand

So let me spend the night in wonderland with you  
 [Pré-Refrão]

I am feeling so lucky (Lucky, lucky, lucky)

The sun shining down on me (On me, on me, on me)

Got these angels all around me

I'll never be alone

[Refrão]

Look up at the stars, they're like pieces of art

Floating above the ground

You know we could fly so far, the universe is ours

And I'm not gonna let you down
