I want you close to me  
 I want you close  
 I want you closer  
 But when you're here with me  
 It's hard to tell just what you're after

You say, you want all of me today  
 But tomorrow's not the same  
 My feelings never change

What do you want from me?  
 What do you want? Uh

I need to know  
 If this is mutual  
 Before I go  
 And get way too involved  
 I want you bad  
 Can you reciprocate?  
 No, I don't want to have to leave  
 But half of you's not enough for me

This inconsistency  
 What does it mean?  
 You got me questioning  
 The way you act and take it back  
 Do I mean anything?  
 Just tell me honestly

You say, you want all of me today  
 But tomorrow's not the same  
 My feelings never change  
 What do you want from me?  
 What do you want? Uh

I need to know  
 If this is mutual  
 Before I go  
 And get way too involved  
 I want you bad  
 Can you reciprocate?  
 No, I don't want to have to leave  
 But half of you's not enough for me

Are you playing me  
 Is this a game?  
 When you show up late  
 Say love at 2 am  
 Then tell me you can't say  
 Girl, yeah  
 What do you want from me?  
 Baby ohh

I need to know  
 If this is mutual  
 Before I go  
 And get way too involved  
 I want you bad  
 Can you reciprocate?  
 No, I don't want to have to leave  
 But half of you's not enough for me
