Making beautiful look ugly

You ain't the ruler of no country

Who made you the queen?

[Segunda Parte]

I shouldn't stress about  
The fact you're not impressed

Are you playing hard to get?

Or maybe you're not interested  
I don't understand

Why everybody thinks you're sweet

'Cause I see the opposite

No, you're not so innocent

[Pré-Refrão]

I see the way you're lookin' through me right now  
To see if there's somebody cooler around, yeah

[Refrão]

Who crowned you queen of  
You think you're too cool

Making beautiful look ugly

The way you put yourself above me  
You treat me

Like I got nothin' on you

Making beautiful look ugly

You ain't the ruler of no country

Who made you the queen?

[Ponte]

No, no, no, no

Who made you the queen?

Who made you the queen?

[Refrão]

Who crowned you queen of  
You think you're too cool

Making beautiful look ugly

The way you put yourself above me (nah, yeah)

You treat me

Making beautiful look ugly (making beautiful look ugly)

You ain't the ruler of no country (you ain't the ruler of no  
country babe)

[Final]

Who made you the queen?

Who made you the queen?

Yeah, you think you're too cool, no
