

# Shawn Mendes - There's Nothing Holdin' Me Back

Tom: D

<sup>G</sup>  
 I wanna follow where she goes  
<sup>A</sup> I think about her and she knows it  
<sup>G</sup> I wanna let her take control  
<sup>A</sup> 'Cause every time  
 That she gets close, yeah  
  
<sup>G</sup> She pulls me in <sup>Bm</sup> enough  
 To keep me <sup>A</sup> guessing, mmm  
<sup>G</sup> Maybe I should stop  
<sup>A</sup> And start confessing Confessing, yeah  
  
<sup>G</sup> Oh, I've been shaking  
<sup>Bm</sup> I love it when you go crazy  
<sup>A</sup> You take all my inhibitions  
 Baby, there's nothing holdin' me back  
<sup>G</sup> You take me places  
<sup>Bm</sup> That tear up my reputation  
<sup>A</sup> Manipulate my decisions  
 Baby, there's nothing holdin' me back  
 ( G Bm A )  
<sup>A</sup> There's nothing holdin' me back  
 ( G Bm A )  
<sup>A</sup> There's nothing holdin' me back  
  
<sup>G</sup> She says that she's never afraid  
<sup>A</sup> Just picture everybody naked  
<sup>G</sup> She really doesn't like to wait  
<sup>A</sup> Not really into hesitation  
  
<sup>G</sup> Pulls me in <sup>Bm</sup> enough  
 To keep me <sup>A</sup> guessing, whoa  
<sup>G</sup> Maybe I should stop  
<sup>A</sup> And start confessing Confessing, yeah  
  
<sup>G</sup> Oh, I've been shaking  
<sup>Bm</sup> I love it when you go crazy

<sup>A</sup>  
 You take all my inhibitions  
 Baby, there's nothing holdin' me back  
<sup>G</sup> You take me places  
<sup>Bm</sup> That tear up my reputation  
<sup>A</sup> Manipulate my decisions  
 Baby, there's nothing holdin' me back  
 ( G Bm A )  
 There's nothing holdin' me back  
  
 ( G Bm A )  
  
<sup>G</sup> 'Cause if we lost our minds  
<sup>Bm</sup> And we took it way too far  
<sup>A</sup> I know we'd be alright  
<sup>A</sup> Know we would be alright  
<sup>G</sup> If you are by my side  
<sup>Bm</sup> And we stumbled in the dark  
<sup>A</sup> I know we'd be alright  
<sup>A</sup> I know we would be alright  
  
<sup>G</sup> 'Cause if we lost our minds  
<sup>Bm</sup> And we took it way too far  
<sup>A</sup> I know we'd be alright  
<sup>A</sup> I know we would be alright  
<sup>G</sup> If you are by my side  
 = <sup>Bm</sup>  
 And we stumbled in the dark  
<sup>A</sup> I know we'd be alright  
<sup>A</sup> We would be alright  
  
<sup>G</sup> Oh, I've been shaking  
<sup>Bm</sup> I love it when you go crazy  
<sup>A</sup> You take all my inhibitions  
  
 Baby, there's nothing holdin' me back  
<sup>G</sup> You take me places  
<sup>Bm</sup> That tear up my reputation  
<sup>A</sup> Manipulate my decisions  
 Baby, there's nothing holdin' me back  
 ( G Bm A )  
 There's nothing holdin' me back  
 ( G Bm A )
