

# Shawn Mendes - This is What it Takes

Tom: C

You keep on telling me i'm waisting time  
 But to call it wasting time, oh thats a crime  
 and you think its crazy what i'm trying to do  
 Well baby I'm a fool for you.  
 Cause underneath the darkness, theres a lights thats  
 trying so hard that trying to be seen  
 cause I know this cause I noticed  
 Your tying so hard to see

tabrefrão

And If This is what it takes  
 Then let me be the one to bear the pain  
 Oh if this is what it takes  
 I'll break down theses wall that are in our way  
 If this is what it takes  
 refrão

(verse 2)

You keep on telling me i'm waisting time  
 But to call it wasting time, oh thats a crime  
 and you think its crazy what i'm trying to do  
 Well baby I'm a fool for you.  
 Cause underneath the darkness, theres a lights thats  
 trying so hard that trying to be seen  
 And I know this because i've noticed  
 a little bit shining through the schemes

tabrefrão

And If This is what it takes  
 Then let me be the one to bear the pain  
 Oh if this is what it takes  
 I'll break down theses wall that are in our way  
 If this is what it takes  
 refrão
