

Shawn Mendes - Where Were You In The Morning?

Tom: E

m ^C
 You said, "I wanna get to know ya" ^D Em

Why you gotta get my hopes up?
^C You said that you were staying over ^D Em

But then I woke up to the cold air
^C How could you make me believe? ^D Em

That there was something in between you and me, yeah
^C I look around and I don't see you ^D Em

[Refrão]

Where were you in the morning, baby?
^{Em} You didn't leave your number for me ^D Em

Left me without a warning, baby
^{Em} Where were you in the morning, baby? ^D Em

How do you, how do you just walk away?
^{Em} How do you, how do you just walk away? ^D Em

^C And I thought you really felt this ^D Em

When we were talking about breakfast
^C You made it seem like we connected ^D Em

I guess I just didn't expect this

^C How could you make me believe? ^D Em

That there was something in between you and me, yeah
^C I look around and I don't see you ^D Em

[Refrão]

Where were you in the morning, baby?
^{Em} You didn't leave your number for me ^D Em

^{Em} Left me without a warning, baby ^D Em

Where were you in the morning, baby?
^{Em} How do you, how do you just walk away? ^D Em

Where were, where were you?
^C How do you, how do you just walk away? ^D Em

Where were, where were you?
^C Where were, where were you? ^D Em

[Ponte]

^C And I hope you had a good reason ^D Em

'Cause I know you had a good time
^C And I'm looking up at the ceiling ^D Em

And I keep wondering why
 [Refrão]

Where were you in the morning, baby?
^{Em} (Where were you in the morning?) ^D Em

You didn't leave your number for me

(You didn't leave your number)
^{Em} Left me without a warning, babe ^D Em
